TA – COMMENTS – YAROSLAV KOROBKA

Please write comments below considering qualities like encouraging students to participate actively in class, using time efficiently, good use of examples, available and able to answer questions.

- -
- Yaroslav was always very organized and he devoted a lot of effort into explaining the difficult material. He also gave us some useful tips for midterm preparation, which I very much appreciated.
- Yaroslav is a really good TA, and he has a good ability to explain hard topics. However, this semester in some classes he was not as helpful.
- very good!
- Really good TA, efficient with his time us
- In contrast to the statistics course, when Jaroslav was our TA, this time he did not encourage broad participation. He did not encourage asking questions.
- TA was very organized, which, in turn, was really helpful to understand the material.
- He was very organized and thorough in his solution, which helped a lot in understanding the topics better.
